

Year 1 Weekly Update  
Week ending December 11<sup>th</sup> 2020

**Personal, Social and Emotional Development**

This week has been a little different, as we missed the first two days because our bubble closed! We have had three fantastic days back in school, and have really enjoyed seeing all of our friends again!

**Communication and Language**

This week we have been talking lots about Christmas, how we celebrate and how other people celebrate in different countries.

We have talked about the story of Christmas, and why people celebrate it!

**Phonics + Literacy**

We have been recapping our Phase 3,4 and 5 sounds – particularly blending our real and alien words! We have worked especially hard on being digraph detectives, and making sure that we read all of the sounds in each word!

**Mathematics**

This week we have been learning about money! We have begun by discussing what we already know and recognising coins! We have talked about the different ways that we can make an amount!

**Reading + PE**

Please continue to read with your children at home – we can really see the difference in their confidence and fluency in school!

Please remember that PE will take place every Wednesday – your child should come in their PE kit for the whole day!

**At home**

Please read as often as you can with your child and upload their learning to ReallySchool.

Talk to your children about the tradition that you and your family have at Christmas time – see if you can find out about other Christmas traditions that people have in other countries!

Play with money with your children – set up a 'shop', where children can buy things with real money!

**Next Week...**

Is the final week before Christmas!

It's going to be a fun and busy week! We have got a Christmas party, Christmas dinner and so much more to fit in!

We will continue learning about money, as well as writing letters to Santa and sharing Christmas cards!

Remember that school is not open on Friday!
