

Year 1 Weekly Update
Week ending 23rd October 2020

Personal, Social and Emotional Development

Through our book, the Selfish Crocodile, we have been discussing what makes a good friend, what we can do to be a better friend and what our friends do that make us happy.

Phonics + Literacy

In phonics this week, we have been looking at two syllable words using our phase 3 sounds – this has been a lot of fun and children have embraced the challenge! We have continued to practice our Phase 2 and 3 sounds!

In our writing this week, we have been making posters to teach the children in Butterfly and Caterpillar class how to clean their teeth properly!

Communication and Language

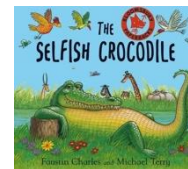

We have been ordering instructions for cleaning our teeth and coming up with sentences to go with each picture.

We have continued to practice asking and answering different types of questions.

Mathematics

This week we have been focusing on finding one more and one less than a given number up to 20.

We have also identified the missing number in a number line.

Reading + PE

Please continue to read with your children at home – we can really see the difference in their confidence and fluency in school!

Please remember that PE will take place every Wednesday – your child should come in their PE kit for the whole day!

At home

Please read as often as you can with your child and upload their learning to ReallySchool.

Over half term, go on an autumn walk. What can you find?

We will be learning about shapes over half term – go on a shape hunt in your house – what shapes can you find?

Next Week...

Is half term!

Well done to all of the children for a fantastic first term! They have settled back to school so well and it has been a pleasure to get to know them!

We will begin next half term by focusing on the changing seasons, focusing on the book *We're Going on a Leaf Hunt*.
