

Year 1 Weekly Update
Week ending 25th September 2020

Personal, Social and Emotional Development

This week, we have continued to develop our friendships and prepare for moving to our new school.

Communication and Language

This week, we have been developing our storytelling. We have read stories and have been retelling them in our own words. We have practised giving instructions to each other.

Phonics + Literacy

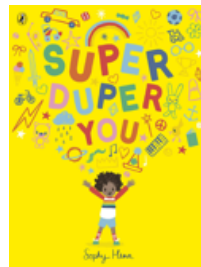

In phonics this week, we have been learning new Phase 3 sounds! We have learnt ir, oi and ow with Mr Graham, and Miss Slack-Humphrey has been revisiting blending with our Phase 2 sounds.

In Literacy, we have based our learning on the book *Super Duper You*. We have talked about what makes us unique and have written a recipe for 'What Makes Me Special'.

Mathematics

This week, we have been revising our number bonds to 10. We have found different ways of working out the answer and showing how we know the answer.

Reading

As you will have seen, we will be using Oxford Owl for our home reading, at least for the beginning of the academic year.

If you haven't done so already, please log in using *mouseclasshampton* and MouseClass1. Please speak to the team if you have any questions.

At home

Please read as often as you can with your child and upload their learning to ReallySchool.

See if your children can demonstrate their number bonds to 10! Find a way of showing number bonds in a fun way – they could make a paper chain with 2 different colours or use an egg box to show how many different ways they can make 10!

Next Week...

Our focussed book next week will be...
Once There Were Giants

We will be preparing for moving to our new school – remember school is closed on Friday 2nd October!
