

Week commencing 18<sup>th</sup>  
January

Menu of learning for  
**Whatever Next by Jill  
Murphy**

Expressive Arts and Design

- Make your own rocket, 2d or 3d
- Have an indoor picnic with your soft toys
- Make a planet using a paper plate/circle paper
- Retell the story using the props that baby bear used
- Make a sandwich

Understanding the World

- Find out about a famous astronaut
- Find out about a planet of your choice
- Compare the earth to the moon

Literacy

- Share a book each day
- Make a list of the things you would need for your picnic
- Write a sentence about what baby bear saw on his journey
- Label a rocket
- Make a list of 10 things you would take to space

Mathematics

- Number bonds 5, 10 or 20
- Missing numbers- can you find the missing number in the number sentence?
- 3d Shape – go on a shape hunt and see if you can describe the properties
- Counting in 2s, 5s and 10s
- Heavy and light- can you compare two (or more objects) and order them heaviest to lightest?
- Subtraction within 5 or 10
