

### Expressive Arts and Design

- Can you make your own instrument and sing the story instead of reading it?
- Have a look at the pencil drawings in the story – try and draw your own picture in a similar style – watch a video on Youtube to help you!
- Select one of the places e.g. grass, water, mud and create a scene using a variety of materials
- Make your own bear!

Week commencing 1<sup>st</sup>  
February

### Menu of learning for **We're Going on a Bear Hunt** by Michael Rosen

### Understanding the World

- Find out about the different types of weather they see in the story.
- Find out about a type of bear – what is their habitat? What do they eat?

### Literacy

- Go on your own bear hunt in your house/garden – can you tell us the story?
- Listen to the onomatopoeia (splash, squelch etc) – can you think of any more?
- Can you act out the story?
- Describe the different types of weather – use all your senses!
- Describe the places that they travel through on their Bear Hunt

Rewrite your own  
verse 'We're  
going on a  
.....hunt' we're  
going to catch a....

### Mathematics

- Time – tell us about your day using times on the clock or parts of the day e.g morning, lunch, afternoon, evening
- Reception – different ways of making 6 and 7
- Problem solving stories
- Timed challenges – how many of something can you do in 30 seconds/1minute?
- Sorting – which of these activities could you do in one second/minute/hour?
