

Pick 10 things you would pack for a journey through the Amazon rainforest. Explain why you would select each item and what it would be used for. Present this in any way you choose.

Recreate the Brazilian flag in the most creative way you possibly can.

Become a Brazilian chef and have a go at making some Pão de Queijo (cheese rolls), Brigadeiros (chocolate truffles) or Biscoitos de Maizena (Brazilian cookies).

Christ the Redeemer? Pelarón steps? Pick a Brazilian monument and recreate it in any way you would like.

Pick a famous Brazilian sportsperson. Create a fact file about their life and their greatest achievements.

Use cardboard or a shoebox and toilet rolls to create a model of the different layers of the Amazon rainforest.

City Slicker

or

Jungle Fever

Create your own Zumba routine for your family. Record yourself and your family taking part!

<https://www.aliceandlois.com/kids-cloud-science-project/>

Want to become a scientific expert on the water cycle? Complete the science experiment and work out how much rain a cloud can hold. Don't forget to take pictures!

Write a story about an explorer that travels to Brazil and discovers an animal that has never been seen before. Make sure you include plenty of description and Year 3/4 writing features.

Create a Samba beat using items from around your home (sorry Mums and Dads!). Use the following link to help: https://www.youtube.com/watch?v=PhgMjTRTzf8&ab_channel=JanJovbak
