

# Fox Class Homework Menu - Summer Term

Become a pirate! Can you write a pirate diary using Year 2 writing features.

Pirate Ship- create your own miniature pirate ship. Be prepared to explain your design and material choices.

Create your own treasure map and island to go with it - take photos of your island being built!

Research the story of Grace Darling and create a factfile about her story - use the internet, library books and other sources to find about what makes her story special!

Create your own pirate game - what are the rules going to be? Use examples of real games as a starting point, such as Battleships, Monopoly, Cluedo or Snakes and Ladders!

Create your own shop at home! Make a list of items that people can buy from your shop, including prices! Ask your family to visit your shop and buy what they would like - make sure you check they are giving you the correct money!

## Land Ahoy!

Cook a seaside cake!  
Choose a cake design (a ship, sandcastle, island, treasure map!) and make it at home with a grown up! Don't forget to take some pictures to load onto ReallySchool. If you would like to bring in a piece to share at school, remember that we are a nut-free school. Please bring in a list of **all** the ingredients used in your cake!

Find out about a famous pirate and create a factfile about them. You can present this in any way you choose.

Create your own pirate ship using a material that will float - use scientific investigation to help you research the materials first!

Research a famous shipwreck - find out about the history of the ship, where it was wrecked (or sunk!) - choose the method to present your findings - you could make a video/presentation/leaflet or something even more creative!

Read one of these books (or another you find) and write a book review:  
*The Journal of Jake Carpenter* - Richard Platt, *The Pirate Captain's Cat* - Philip Ardagh  
*The Ship of Shadows* - Maria Kuzniar, *Captain Sparklebeard* - Timothy Knapman
